

**INTERNATIONAL CONFERENCE AND EXPO ON**

# Blue Economy

**HYDERABAD, INDIA | 27-29 APRIL, 2026**

[www.blueindiaconference.com](http://www.blueindiaconference.com)

## Blue India 2026

The International Conference on Blue Economy: Blue India will serve as India's premier global platform, bringing together policymakers, industry leaders, stakeholders, and researchers to explore the full potential of the Blue Economy. As seafood demand rises alongside India's growing population, and as India's coastal and marine sectors expand, critical challenges—such as sustainable resource use, climate resilience, biodiversity protection, equitable market access, and responsible management of offshore resources—must be addressed through innovative, transformative, and collaborative solutions.

The conference will provide a unique forum to discuss the integration of ocean resources into national accounting frameworks, sustainable coastal development and tourism, and the advancement of fisheries, aquaculture, and value-added fish processing. Delegates will also examine emerging marine industries, maritime trade and infrastructure, technological innovations, and the governance of deep-sea mining and offshore energy. In addition, sessions will explore maritime security, strategic dimensions, and international collaboration to ensure safe, resilient, and well-managed ocean spaces.

Attendees will gain insights into scientific advancements, technological innovations, and practical strategies that address the evolving needs of India's Blue Economy while supporting sustainable growth, resilient communities, and global engagement.

# Conference Chairs

**Hon.Prof.Roy D Palmer**

Association of International Seafood  
Professionals, Australia

**Prof.Dinesh Kaippilly**

Kerala University of Fisheries and  
Ocean Studies (KUFOS), India

## BLUE INDIA CONFERENCE GOALS

## ABSTRACT SUBMISSION DETAILS

- Abstracts submitted to the conference should be written in English only.
- Authors can submit their abstracts in Doc, Docx and Pdf format.
- Any act of plagiarism is unacceptable.
- Each abstract should be strictly within 1 page in length, contains about 500 words.
- The presenting author is required to ensure that all co-authors are aware of the content of the abstract before submission.
- The type of presentation should be nominated while submitting the abstract.
- The abstract submission should be made via conference website only.

All presenters are required to pay their own registration accommodation and travel expenses. Blue India 2026 cannot subsidize registration fees, travel or hotel costs. No Abstract Book will be printed-an Abstract Book will be available online

## Why to Attend?

- Network with global experts in ocean economy and governance
- Gain insights into emerging industries, technologies, and policies
- Explore sustainable solutions for fisheries, aquaculture, energy, and trade
- Contribute to shaping a resilient and equitable Blue Economy

## Who will Attend?

**Policymakers and Government Officials:** Representatives from central and state ministries, regulatory bodies, and ocean governance agencies shaping sustainable maritime policies.

**Industry Leaders and Entrepreneurs:** CEOs, business owners, and innovators from fisheries, aquaculture, shipping, offshore energy, marine biotechnology, and ocean-based industries.

**Researchers and Academics:** Scientists, professors, and scholars advancing knowledge in marine sciences, aquaculture, environmental management, and ocean technology.

**Technology and Service Providers:** Experts in digital solutions, AI, predictive analytics, smart ports, and other technologies that support sustainable ocean industries.

**Coastal Community Representatives and Farmers:** Small-scale and large-scale aquaculture producers, fishers, and processors who are integral to India's Blue Economy.

**Investors and Financial Institutions:** Venture capitalists, impact investors, and development banks interested in funding sustainable and innovative marine initiatives.

**International Organizations and NGOs:** Representatives from global institutions, multilateral organizations, and NGOs working on ocean conservation, sustainability, and climate resilience.
